Please use this area to add any information you feel would assist us in the placing of a Westie in your home. We would appreciate if you could give us some insight into the expectations you may have for this new family member. Use the back of this form if you need more space or prepare a personal cover letter to accompany this application.

I/We agree to have my name added to the tentatively approved list for the purpose of giving a Westie a loving and permanent home.

I/We understand that Westie Rescue of California (a private not for profit organization) does not buy nor sell any Westie. The rescue organization exists for the purpose of finding safe, loving homes for Westies that no longer have a home.

I/We understand that I/We will be contacted by a volunteer member of Westie Rescue of California - Review Board Committee for discussion of a potential placement **when** a match becomes suitable for my/our adoption family profile. The Westie Rescue of California organization reserves the right to refuse adoption to any applicant(s).

I/We understand the \$10.00 processing fee is nonrefundable. It does not guarantee adoption of a Westie from the Westie Rescue of California organization. If you obtain a dog from another source or change your mind about adopting and/or want your name(s) removed from our files as a tentatively approved adopter, please email or send a note in writing to our PO Box (listed below).

Your signature(s) below signifies that you have read the contents of this application and have filled out this questionnaire truthfully and to the best of your knowledge.

I/We certify I/We are of legal age (21 years old) to enter into a binding contract should a rescued West Highland White Terrier match my/our adoptive profile.
